DR. C. W. CHOZIER'S Camphor Wash Mixture, Patented July 11, 1854, and which received the Premium at the Nashville Fair in October last. Warranted to contain nothing in the least injurious to Clothes; also a Great Pain Killer,

THE under-igned, having repeatedly been solicited to make consignments of the Patent Camphor Wash Mixture, has concluded to sell no more county rights in this State, but will is future have the Improved Camphor Wash Mixture put up and distributed throughout this State (except in the counties where the rights have been disposed of) and in the State of Alabama. And that he may be enabled more effectually to make this arrangement, he proposes to divide the patent for Tennessee and Alabama into 1,00 shares, one fourth to be reinined, and the remainder—750 shares—will be offered for sale. A person remitting ten dollars will have one share in the Patent, to run fourteen years from July 11, 1854, and will be at the same time inesting also five dollars to be used in the purchase of the ingredients, advertising and the necessary expenditure of the means to prepare and distribute the Mixture for sale,— Consignments will be made to shareholders, (who may request it,) and to no other persons, to the amount of their remittance. And they will be allowed a commission of 88 per cent on their sales, and also their proportion of the profits at large.

Annual exhibit of sales will be made, and dividends of the rofits remitted to each shareholder. No debts will be con tracted, nor will the Company be responsible for any, as the business will be conducted upon the cash system. Any of those who have purchased patents for counties in it. State, can have the privilege of exchanging their rights for share at the prices they have paid. This exchange will be made at the cost of the Patentee. It is desirable to have at least one or more artire share-olders in each county in the States named. Subscriptions for shares will be closed by the 1st September next. And consignments of the Mixture will be guade very soon there-after. Certificates issued to shareholders, who will request

the Agency, if they desire it. undersigned will act Agent until the shareholders elect three directors to serve one year, who will have the management until their successors shall be elected. Newspapers in Mobile, Montgomery, Tuscalona, Huntswille, Taltadega and Tun umbia, that will publish this twice and other selvertisements to the amount of ten dollars, and send one copy, will receive one share. THIS great alterative medicine and Purifier of the Blood. I is now used by thousands of grateful putients from all parts of the United States, who testify daily to the remark-

parts of the United States, who testify dury to the Fernarable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Neuralgia, Rheumatism, Scrotula, Eruptions on the Skin, Liver Diseases, Fevers, Ulcers, Old Sores, Affections of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones. and Joints, are all spredily put to flight by using this great and inestimable remedy. For all diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the Stomach, makes

the skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the Ladies, it is incomparably better than all the cosmetics ever used. A few doses of Castes's Spanish Mixture will remove all sallowness of complexion, bring the rores mantling to the cheek, give elasticity to the step, and improve the general health in a remarkable degree, beyond all the medicines ever heard of.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no Humbug about it. The press, hotel keepers, magistrates, physicians, and public men, well snown to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get a Circular and Almanse, and read the wonderful cures this truly greatest of all medicines has performed.

AYER'S FOR ALL THE PURPOSES OF A

BACON & BRO.'S SAFETY FUSE, AND FAMILY PHYSIC. THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to Prompt attention will be given to the collection of claims. make the best of all pills - one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for w Vanilla, the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruc-Buy Rum,

Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languer and Loss of Appetite, Listlessness, Irritability, Bilious Headache, us Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the con-sequence of diseased action in the liver. As an aperient they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrof-ula and Scurvy, Colds with soreness of the body,

Ulcers and impurity of the blood; in short, any and every case where a purgative is required. They have also produced some singularly suc-cessful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; necessary dosing should never be carried too far, as every purgative medicine reduces the strength when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity. For minute directions see wrapper on the Box.

AYER'S CHERRY PECTORAL For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH. CROUP, ASTHMA, AND CONSUMPTION.

THIS remedy has won for itself such notoriety from its cures of every variety of pulmonary that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues known, the public no longer hesitate what antidote to employ for the distressing and dangerous affec-tions of the pulmonary organs which are incident to our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of COLDS, COUGHS, HOARSENESS, &c.; and for CHILDREN it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by ---
